Coconut Oil Hand Soap

FOR A RICH LATHER AND DEEP CLEANING

DESCRIPTION

A liquid soap of superior quality for washing the skin and hands. Formulated with unadulterated coconut oil for its rich lather and its deep cleaning...all the natural glycerin has been retained to avoid drying the skin.

USES

For washing the hands, the hair and the entire body.

HOW TO USE

Wet the hands, hair or skin with water. Then add a few drops of soap. Rub to a lather to clean. Rinse off with clear water.

BENEFITS

UNADULTERATED COCONUT OIL: Made with the recognized best ingredient for formulating personal use soap.

GLYCERIN RETAINED: Some producers extract the valuable natural glycerin from the coconut oil for sale or use in higher priced products.

RICH LATHER: The unadulterated coconut oil makes for a much desired luxurious foam.

DEEP CLEANING: Coconut oil is recognized for its cleaning ability.

KIND TO THE SKIN: The retained glycerin keeps the deep cleaning from irritating the skin.

OPTIMUM VISCOSITY: Just right for dispensers. Not too thick to clog them. Not too thin to drip.
