

BVG

Blue Vision

GLASS & HARD SURFACE CLEANER

DESCRIPTION

With its modern solvent system and safe but powerful cleaning agents, Blue Vision produces bright, spotless surfaces without streaking or smearing.

USES

Ideal for glass surfaces (windows, mirrors, show cases, windshields, etc.) and other high gloss surfaces (formica counter & table tops, chrome, ceramic tile, stainless steel, porcelain, etc.).

HOW TO USE

Use Blue Vision as it comes from the container or diluted with an equal part of water for light cleaning jobs. Spray it on surfaces to be cleaned, then immediately wipe it off with a paper towel or with a clean, lint free cloth. Replace the wiper regularly as it becomes soiled.

BENEFITS

MULTI-SURFACE CLEANING: Cleans just about every shiny, hard surface you can think of by just spraying on and wiping off.

GREAT CLEANER: Removes greasy, oily soil and just plain dirt to leave surfaces squeaky clean.

EASY TO USE: Just spray on and wipe off. That's all there is to it.

SPECIFICATIONS
