

CITRUS

# Mandarin Muscle

## HEAVY DUTY CLEANER AND DEGREASER

### DESCRIPTION

Mandarin Muscle is our popular 3D industrial grade cleaner/degreaser fortified to heavy duty strength by the addition of citrus solvent. This citrus solvent, known formally as d-limonene, is a natural extract from the skins of oranges and other citrus fruit with a high Kauri reduction rating against greasy soil and adds degreasing ability to an already outstanding cleaner.

### HOW TO USE

To determine typical dilutions for the many jobs that Mandarin Muscle will do, match the letters in brackets ( ) with the dilutions suggested in the chart below. Dilutions may be changed according to the amount and type of soil.

	PARTS CLEANER (LIMPIADOR)	PARTS WATER (AQUA)	APPROXIMATE AMOUNT CLEANER PER GALLON WATER
(A)	1	64	2 ounces
(B)	1	32	4 ounces
(C)	1	15	8 ounces
(D)	1	12	10 ounces
(E)	1	10	12 ounces
(F)	1	8	16 ounces
(G)	1	6	24 ounces

### CLEANING INDUSTRIAL MACHINES AND EQUIPMENT:

Use dilution schedule (G) for conveyors, engines, exhaust fans, metal stock, welding equipment.

**COMMERCIAL KITCHENS:** Use schedule (G) for deep fryers, vents, canopies, duct work; Use schedule (C) on greasy floors & wooden mats; Schedule (A) on refrigerators, walls, lighting fixtures.

**PRINTING INDUSTRY:** Use schedule (F) to remove ink from presses, tables, walls, etc.

**FLOORS:** Use dilutions (E) or (F) for wax and finish removal; Schedule (A) or (B) for general floor cleaning with mop or auto scrubber.

**GYMNASIUMS:** Use schedule (B) for lockers and steel files; (D) to remove soap film from shower floors and walls.

**ALUMINUM:** Test in a small spot for compatibility at appropriate dilution.

Rinse food contact surfaces with potable water after cleaning.

### USES

For cleaning conveyors, exhaust fans, metal stock, deep fryers, vents, duct work, greasy floors, kitchen mats, printing presses, lockers, shower walls and other tough cleaning jobs.

### BENEFITS

**INDUSTRIAL STRENGTH:** An improved version of our very popular, very effective industrial strength cleaner/degreaser made even better.

**WITH ORANGE SOLVENT:** d-limonene, a natural solvent extracted from the skin of citrus fruit, has been added for even better and easier removal of greasy soil.

**MULTI-PURPOSE:** This one product does a multitude of industrial/commercial cleaning jobs.

**ECONOMICAL:** Replaces much more expensive solvents when needed in strong solutions. Dilutes further than competitive cleaners for other jobs.

### SPECIFICATIONS

APPEARANCE .....Light orange liquid

ODOR .....Citrus

SPECIFIC GRAVITY.....1.030 ± 0.005

DENSITY .....8.60 ± 0.05 lb/gal

BOILING POINT .....Near 212°F

pH.....13.0 ± 0.5

FLASH POINT .....None to boiling

STABILITY .....One year minimum

DISTRIBUTED BY
