

BETTER DEAL STIMULUS PRODUCTS

We know that businesses are looking to control their costs due to shrinking budgets.

In response Bullen has created a new line of products that are of the highest quality and performance at the lowest cost.

No-Bull All Purpose Cleaner is a cost effective concentrated liquid cleaner that can be used to remove soil from all surfaces. When diluted with water at 2-4 ounces per gallon, this products provides excellent cleaning results by removing soils removing soils from floors (resilient, tile and coated wood) walls and countertops.

Stimulus Products at the right time

Many years ago during the last recession we came out with a group of products called Bottom Line. They were the highest performing and lowest cost solutions we could develop at the time.

We now have a similar problem (if not worse) with the economy so our chemists have looked at the original Bottom Line products and using state of the art technology we have improved performance and the environmental foot print of the line. With the new politics we have re-branded the line as No Bull-Better Deal Stimulus Products.

We cover the core group of products that you and your customers are looking for. The line includes Finish, Stripper, All Purpose and Pine Cleaner, Glass Cleaner, Oven & Grill, Dish Detergent and Hand Soap.
