Spray N Go Pathogen Control System

Spray N Roll Disinfectant Spray System

The Spray N Roll II and the Spray N Go Mini will make quick work of cleaning & disinfecting your facility.

Perfect for lockers, floors, wrestling mats, shoulder pads, exercise equipment, animal cages and much more.

No more filling & transporting mop buckets to area being cleaned and disinfected, or refilling small spray bottles with trigger sprayers.

Left-over Airx Spray N Go solution can be used later - saving money, time & waste!

The Spray N Roll II & Spray N Go Mini are not like sprayers you find in Home Centers & Garden Shops.

The Spray N Roll II is industrial grade yet lightweight. 2.5 gallon sprayer is perched atop large wheels, perfect to roll to the area needing disinfection.

Supplied with large area nozzle and also a close up nozzle for tight areas.

The Spray N Go Mini holds 50 ounces of product and is meant for confined areas, easy portability and ease of use.

Spray N Go Disinfectant Cleaner & Odor Counteractant

- Kills 99.9% of Bacteria in 5 Seconds **
- Cleans and cuts grease
- Effective against odor-causing bacteria
- Kills microorganisms on soft surfaces §
- Cleans and disinfects hard non-porous surfaces
- Cleans tough stains
- Hospital use germicidal cleaner
- Eliminates odors leaving surfaces smelling clean and fresh

Airx Spray N Go is a one-step hospital-use germicidal cleaner and odor-counteractant designed for general cleaning, disinfecting and deodorizing of hard, non-porous inanimate surfaces. Quickly removes dirt, grime, food residue, blood and other organic matter commonly found in hospitals, in health care facilities and on medical surfaces. It also eliminates odors leaving surfaces smelling clean and fresh. Use where odors are a problem.

Airx Spray N Go is intended for use in: Hospitals and Health Care Settings, Healthcare Institutions, Animal Holding Areas, Veterinary Waiting Rooms, Veterinary Examination Rooms, Veterinary X-ray Rooms, Veterinary Operating Rooms, Animal Transportation Vehicle, Health Clubs, Gyms and Athletic Facilities.

Airx Spray N Go kills microorganisms on soft surfaces §, fabrics § or blinds, beddings, blankets, chairs, couches, curtains, drapes, exercise mats, fabrics, gym bags, headrests, linens, mats for day care, mattresses, seat- and/or soft cushions, shades, sheets, sofas, sports equipment, towels, armchairs, upholstered furniture, upholstery, washcloths, and window treatments.

** Staphylococcus aureus (Staph), Klebsiella pneumoniae § composed of 100% cotton or 100% polyester or 50/50 cotton/polyester
