MOP DOWN GLOSS RENEWER RE-STORER

MOP DOWN GLOSS RENEWER

Restores floors to their original or better gloss. Repairs scratches, and traffic area's. Dries to a gloss.

Restorer Gloss Refinisher is a unique resurface emulsion concentrate and is formulated to add a layered toughness to the existing coating and replenish any finish worn away by abrasive foot traffic. It dries to a gloss so buffing need not be accomplished immediately. Buff when dry or the next day.... Ideal for application prior to buffing with propane and battery operated machines and electric's.

Directions:

For complete application instructions see the 1 Up Floor Care Application Training Guide.

1. Sweep floor and accomplish daily cleaning procedures. (Wet mopping or auto scrubbing).
2. Dilute Restorer with water. Mix one quart Restorer to 1 gal. of water. (1 gal. to 4 gals.)
3. Apply Restorer using a mop or applicator as you would apply a finish.
4. It dries to a high gloss so burnishing can be accomplished immediately after drying or at your earliest
